## Fall Videoconference Series

**Fayette County Behavioral Health Administration**  
215 Jacob Murphy Lane  
Uniontown, PA 15401  
724-430-1370

### September 14, 2016
- Diagnosis and Treatment of Complicated Grief

### December 7, 2016
- Adolescent Borderline Personality Disorder

### Programs Available at Other Participating Sites
- Neurocognitive Disorders in the General Medical Setting (10/19/2016)
- Validation in Dialectical Behavior Therapy (11/09/2016)

To register, please complete the attached registration form.
Diagnosis and Treatment of Complicated Grief

September 14, 2016
1 to 3 p.m.
Course Code: T316

Presenter:
Charles F. Reynolds III, MD
UPMC Endowed Professor in Geriatric Psychiatry
Behavioral and Community Health Sciences,
Clinical and Translational Science
University of Pittsburgh School of Medicine

Program Description:
Description of our current understanding of complicated grief and approaches to diagnosis, including a case presentation. Treatment approaches will also be discussed, including complicated grief psychotherapy and antidepressant pharmacotherapy.

Educational Objectives:
At the conclusion of this program, participants should be able to:
- Specify clinically relevant dimensions in the evolving construct of complicated/prolonged grief (CG).
- Discuss contemporary algorithms for the diagnosis of CG.
- Describe the clinical utility of antidepressant pharmacotherapy, with and without CG psychotherapy, in the treatment of CG, based upon data from a recently completed NIMH sponsored multisite randomized controlled trial.

Target Audience:
This is an introductory program for physicians, psychologists, social workers, nurses, counselors, therapists and other clinicians or educators working in mental health settings, and health care facilities.

Continuing Education Credits:
| CADC – 2.0 | CME – 2.0 | General CEU – 0.2 |
| LSW/LCSW/LPC/LMFT – 2.0 | NCC – 2.0 | Psychologist – 2.0 |

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded 0.2 continuing education units (CEUs) which are equal to 2.0 contact hours.

Tuition:
This program is free of charge.

To register: Please complete the attached registration form.

If you have questions, please contact: Nicole Fijalkovic (724) 430-1370 Email: video@fcbha.org
Neurocognitive Disorders in the General Medical Setting

October 19, 2016
1 to 3 p.m.
Course Code: T317

Presenters:

Pierre Azzam, MD
Assistant Professor of Psychiatry
University of Pittsburgh School of Medicine
Director, Psychosomatic Medicine Fellowship Program
Western Psychiatric Institute and Clinic of UPMC

Morgan Faeder, MD
Assistant Professor of Psychiatry
University of Pittsburgh School of Medicine
Medical Director, Psychiatry Consultation-Liaison Service
Western Psychiatric Institute and Clinic of UPMC

Priya Gopalan, MD
Assistant Professor of Psychiatry
University of Pittsburgh School of Medicine
Medical Director, Psychiatry Consultation-Liaison Service
Western Psychiatric Institute and Clinic of UPMC

Julie Graziane, MD
Assistant Professor of Psychiatry
Medical Student Site Director, Psychiatry Consultation-Liaison Service
University of Pittsburgh School of Medicine
Western Psychiatric Institute and Clinic

Program Description:
In this presentation, attendees will hear an overview of neurocognitive disorders as they present in individuals in the general medical setting. We will provide basic definitions of the elements of a cognitive examination and how various aspects of thinking malfunction in neurocognitive disorders. Additionally, presenters will give an overview of the identification, classification, and management of delirium and major neurocognitive disorders. We will highlight areas of clinical consideration for health care providers who work in both inpatient and outpatient medical settings and see medically complicated patients. Specific considerations for behavioral manifestations of neurocognitive disorders and challenges posed in the medical setting will be outlined, and recommendations for pharmacologic and non-pharmacologic management of these patients will be provided.

Educational Objectives:
At the conclusion of this program, participants should be able to:
- Recognize cognitive impairment in the medical setting
- Identify the overlap between psychiatric and neurologic symptoms in patients with neurocognitive disorders
- Differentiate nuances in behaviors and exam findings associated with neuropsychiatric syndromes

Target Audience:
This is an introductory program for psychiatric and non-psychiatric MDs, RNs, SWs, and other professionals who work with medically complex patients.

Adolescent Borderline Personality Disorder

December 7, 2016
1 to 3 p.m.
Course Code: T319

**Presenter:**
Stephanie Stepp, PhD  
Associate Professor, Psychiatry & Psychology  
University of Pittsburgh School of Medicine

**Program Description:**
This presentation will cover the assessment, diagnosis, and treatment of borderline personality disorder in adolescents.

**Educational Objectives:**
At the conclusion of this program, participants should be able to:
- Describe the public health significance of borderline personality disorder in youth.
- Describe evidence-based assessment tools used to evaluate adolescents for borderline personality disorder diagnosis.
- Describe treatment recommendations for adolescents and families with borderline personality disorder.

**Target Audience:**
This is an introductory program for physicians, psychologists, social workers, nurses, counselors, therapists and other clinicians or educators working in mental health settings, and health care facilities.

Continuing Education Credit
Each program is offered for the designated number of continuing education credits

PHYSICIANS: CME
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates these educational activities for a maximum number of AMA PRA Category 1 Credits™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

CERTIFIED ADDICTION COUNSELORS: CADC
Western Psychiatric Institute and Clinic, Office of Education and Regional Programming is certified by the Pennsylvania Chemical Abuse Certification Board (PCACB) to provide Certified Alcohol and Drug Counselor (CADC) continuing education credits for those participants attending the entire program.

COUNSELORS: NCC
Western Psychiatric Institute and Clinic is an NBCC-Approved Continuing Education Provider (ACEP™) and may offer NBCC-approved clock hours for events that meet NBCC requirements. The ACEP solely is responsible for all aspects of the program.

PSYCHOLOGISTS
Western Psychiatric Institute and Clinic is approved by the American Psychological Association to offer continuing education for psychologists. Western Psychiatric Institute and Clinic maintains responsibility for these programs and their contents.

LICENSED/CLINICAL SOCIAL WORKERS, LICENSED PROFESSIONAL COUNSELORS, LICENSED MARRIAGE AND FAMILY THERAPISTS: LSW/LCSW/LPC/LMFT
The indicated number of credit hours of social work continuing education is provided through co-sponsorship of the University of Pittsburgh’s School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call (412) 624-3711.

MENTAL HEALTH PROFESSIONALS: CEU
Nurses and other health care professionals are awarded the designated number of Continuing Education Units (CEU). One CEU is equal to 10 contact hours. Nurses: For attendance at this program you will receive a Certificate of Attendance confirming the indicated hours of continuing education. These hours may be considered eligible in completing the 30 hours of continuing education required for bi-annual nursing re-licensure in Pennsylvania. Peer Specialists: This program fulfills requirements for Certified Peer Specialist continuing education.

The University of Pittsburgh, as an educational institution and as an employer, values equality of opportunity, human dignity, and racial/ethnic and cultural diversity. Accordingly, the University prohibits and will not engage in discrimination or harassment on the basis of race, color, religion, national origin, ancestry, sex, age, marital status, familial status, sexual orientation, disability, or status as a disabled veteran or a veteran of the Vietnam era. Further, the University will continue to take affirmative steps to support and advance these values consistent with the University's mission. This policy applies to admissions, employment, access to and treatment in University programs and activities. This is a commitment made by the University and is in accordance with federal, state, and/or local laws and regulations. For information on University equal opportunity and affirmative action programs and complaint/grievance procedures, please contact: William A. Savage, Assistant to the Chancellor and Director of Affirmative Action (and Title IX and 504 Coordinator), Office of Affirmative Action, 901 William Pitt Union, University of Pittsburgh, Pittsburgh, PA 15260, (412) 648-7860.
Registration Form for the Fall 2016 Videoconference Series September - December

This registration form may be duplicated as needed.

**PLEASE NOTE:** Pre-registration is required. Please register at least two weeks before the course(s) you plan on attending as space is limited.

Only the continuing education credits listed on the individual program description are available for that program.
