An Everyday Life for All: An Overview of the LifeCourse Framework

The LifeCourse Framework and Tools were created by families to help individuals and families of all abilities and ages to:

-  **Develop a vision for a good life**
-  **Think about what they need to know and do**
-  **Identify how to find or develop supports**
-  **Discover how to have an “Everyday Life” in their community**

Please join us in one of the two available sessions to learn about PA’s Community of Practice for Supporting Families and how to use the LifeCourse Tools.
