

### **Who We Are:**

We are a group of parents who have children that access services through one or more of the child-serving systems (Juvenile Probation, Drug & Alcohol, Mental Health, and Children & Youth)

### **What We Do:**

We work together to build collaboration between families and professionals to achieve positive outcomes.

### **How We Do This:**

Share our stories and experiences.

Participate in trainings and outreach events.

Use our voice to make a difference!
